

CRÉER SON BUSINESS EN IRLANDE

Deux remarques :

- Un petit effort pour certaines personnes !
Il faut parler anglais !
- Vous trouverez le descriptif de la structure et les liens pour accéder aux sites web en rapport.

Merci de votre confiance et bonne création ! ;o))

CRÉER SON BUSINESS EN IRLANDE

A new tool for SMEs has been launched to help start-ups and small businesses find out which Government financial supports may be available for your business: Which support is for you?

[Local Enterprise Offices](#)

LEOs provide you with advice, information and support in starting up or growing your business, with 31 dedicated teams across the Local Authority network. Discover more about the available [Business Supports](#) or [find your Local Enterprise Office](#).

[Enterprise Ireland](#)

EI is the government organisation responsible for the development and growth of Irish enterprises in world markets.

[IDA Ireland](#)

IDA Ireland is responsible for the attraction and development of foreign investment in Ireland.

[InterTrade Ireland](#)

InterTrade Ireland helps SMEs across the island by offering practical cross-border business funding, information, advice and support

[Údarás na Gaeltachta](#)

Údarás na Gaeltachta is the regional authority responsible for the economic, social and cultural development of the Gaeltacht; among other work it funds and fosters a wide range of enterprise development and job creation initiatives.

[Science Foundation Ireland](#)

SFI funds research in the areas of science, technology, engineering and mathematics, which promotes and assists the development and competitiveness of industry, enterprise and employment in Ireland.

[Small Business Finance](#)

The Irish Banking Federation and Chambers Ireland have partnered to create this Small Business Finance one-stop information source for small businesses that will provide access to all the information they need to finance their business.

[European Small Business Portal](#)

This portal gathers together all of the information provided by the EU on and for SMEs, ranging from practical advice to policy issues.

CRÉER SON BUSINESS EN IRLANDE

[Self-Employed Supports](#)

This Citizens Information Board microsite provides public service information for self-employed people whose incomes are reduced.

[Office of Government Procurement](#)

The OGP is centralising public sector procurement arrangements for common goods and services; it manages the [eTenders](#) website, which displays all Irish public sector procurement opportunities currently being advertised in the Official Journal of the European Union and other lower-value contracts.

[Irish Point of Single Contact](#) (Services Directive)

The Irish Point of Single Contact provides general information on the procedures required for Irish or EU businesses which intend operating in Ireland.

[EUGO Network](#)

The EUGO Network is made up of Points of Single Contact around the EU. These e-government portals allow you to find out about the rules, regulations and formalities that apply to service activities and, in some cases, to complete administrative procedures online.

[Enterprise Europe Network Ireland](#)

Enterprise Europe Network is your first step on the road to transnational success; it can help your business to make international connections, to innovate in technology and business services and to buy and sell overseas.

[Info2Innovate Supports Directory](#)

An Enterprise Europe Network Ireland directory of innovation supports and services for Irish SMEs.

[Enterprise/Incubation Centres](#)

Find out more about incubation centres offering space and support to entrepreneurs who want to develop their projects within a supportive structure and surrounded by an entrepreneurial community.

[Knowledge Transfer Ireland](#)

Knowledge Transfer Ireland works with business, investors, universities, Institutes of Technology, State research organisations, research funders and government agencies to maximise State funded technology, ideas and expertise getting into the hands of business to drive innovation.

[National Standards Authority of Ireland SME Portal](#)

The NSAI portal aims to bring the benefits of standardisation to SMEs through a variety of resources.
